INTRODUCTION

This Agreement is entered into by and between the Village of Willow Springs, an Illinois Municipal Corporation (hereinafter referred to as "Village" or "Employer" and the Metropolitan Alliance of Police, Chapter #597 (hereinafter referred to as "Union").

WITNESSETH:

WHEREAS, it is the intent of the parties hereto to work together to provide and maintain satisfactory terms and conditions of employment; and

WHEREAS, the parties hereto have reached certain agreements regarding the orderly collective bargaining relationship between the Village and the Union which represents the Employees (as hereinafter defined) in the bargaining unit; and

WHEREAS, the parties are desirous of documenting their agreements and understandings in this written Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements contained herein, the parties hereto, by their duly authorized representatives and/or agents, do mutually covenant and agree as follows:

RECITALS

The recitals set forth above are incorporated into and made a part of this Agreement, as if fully set forth herein.

ARTICLE I - RECOGNITION

1.1 UNIT DESCRIPTION

The Employer hereby recognizes the Union as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on all matters relating to wages, hours and all other terms and conditions of employment for all Employees in the bargaining unit as follows:

All full-time sworn police officers below the rank of Sergeant, in accordance with the Illinois State Labor Relations Board Case number S-RC-14-061 (hereinafter sometimes referred to as the "Employee(s)" or "Bargaining Unit Members").

1.2 PART-TIME / RESERVE / AUXILIARY OFFICERS UTILIZATION:

The Village shall limit the usage of part-time/reserve/auxiliary police officers to an aggregate annual number of Thirteen Thousand (13,000) hours annually. The Village shall comply with the provisions of 65 ILCS 5/3.1-30-20, entitled "Auxiliary Police Officers" and 50 ILCS 705/8.1 et seq., entitled "Full-Time Police and County Corrections Officers."

SCHEDULING: The Village shall make every reasonable effort to offer overtime work to bargaining unit members on the basis of seniority rotation. Officers on vacation, sick leave, personal leave, compensatory time, or who are on any other time off shall not be eligible to work overtime, however, and thus will be considered unavailable during their period of absence. For employees on vacation, personal leave, and compensatory time, such employees will be considered absent and hence unavailable during the hours they were otherwise scheduled to work. For employees on any other leave of absence, they will be considered absent and hence unavailable during the twenty-four hour period they are absent when they call in for a single day off, and from the time the employee first calls in (or takes off) until the beginning of the first shift the employee is eligible and scheduled to return to work for multiple day absences, absent approval of the Chief.

For unanticipated vacancies (notice to department within 12 hours of scheduled shift) where the Chief determines to fill the vacancy either by hiring back/holding over someone at overtime or hiring a part time officer, the Chief will seek volunteers from available bargaining unit employees for the first four hours, and then be free to schedule part timers if there are no volunteers (offered in seniority order, first to those on shift and then to employees not on shift) and part timers for the remaining hours of the vacant shift. Officers on leave will be considered unavailable during their period of absence, absent approval of the Chief. The Chief may schedule part-timers for all other vacancies.

In the event the Chief desires to hold over or hire back a bargaining unit employee to work overtime, and there are no volunteers from among available bargaining unit employees, the Chief may mandate the overtime. Said mandate shall begin with the least senior officer who is available being mandated, however at no time shall an officer be mandated more than two shifts in a Sunday to Saturday period absent an emergency or the inability to mandate a sufficient number of available bargaining unit employees. The Chief shall not mandate overtime for unavailable bargaining unit employees absent an emergency or the inability to mandate a sufficient number of available bargaining unit employees.

The current practices of the Village regarding the use of part-time officers in special units of the Police Department shall not be expanded upon during the term of this Agreement. The Village shall make every reasonable effort to offer special unit training and assignments to bargaining unit members. The Village shall reserve the right to select bargaining unit members for such special assignments. A part-time officer may be utilized to assist a full-time officer in a specialty unit.

TRAINING: Part-time/reserve/auxiliary officers shall not be utilized for street duties to supplement the regular full-time sworn force without first complying with 50 ILCS 705/8.1 *et seq.*, entitled "Full-Time Police and County Corrections Officers."

RECOMMENDATION & BACKGROUND INVESTIGATION: Notwithstanding any other provision contained within this Agreement or in the rules and regulations of the Willow Springs Board of Fire & Police Commissioners, the Police Chief has the authority to recommend to the Board of Fire and Police Commissioners the hiring of an officer as a "lateral transfer" who is certified pursuant to the requirements of this Article I §4. The Board of Fire and Police Commissioners shall conduct a background investigation which shall include a psychological evaluation, polygraph test and oral interview of the proposed lateral hire. The proposed lateral hire shall not be subject to a written examination. If the proposed lateral hire passes the background investigation and oral interview, he/she shall be appointed as a full-time sworn police officer with the Willow Springs Police Department.

PROBATIONARY PERIOD: Any laterally-hired officer shall be subject to the same probationary period as any other newly-hired officer as set forth in the collective bargaining agreement.

SALARY & SENIORITY: The Mayor and the Board of Trustees shall determine the initial compensation of the laterally-hired officer by determining his number of years of experience as a full-time or part-time officer in any other municipal police department or with the State, and compensating the laterally-hired officer at the rate set forth in the collective bargaining agreement for similarly-experienced officers. ARTICLE VI - DISPUTE RESOLUTION AND GRIEVANCE PROCEDURE

6.1 DEFINITION OF A GRIEVANCE

A Grievance is defined as a meritorious dispute between the Employer and an Employee or the Union regarding an alleged violation or misapplication of an express provision of this Agreement. No Employee covered by the terms of this Agreement shall be suspended, relieved from duty, disciplined in any manner, or separated from employment without just cause, and such matters will be subject to the grievance and arbitration procedure set forth herein or subject to the jurisdiction of the Willow Springs Fire & Police Commission pursuant to the Illinois Municipal Code's Board of Fire & Police Commissioners Act, 65 ILCS §10, Division 2.1, but not both.

For suspensions of five days or less, upon receipt of the suspension, the employee, by his or her decision to either file a grievance under the contract or an appeal with the BFPC, irrevocably waives his or her right to pursue his or her grievance/appeal in the other forum. In no event may an employee both file a grievance and appeal to the BFPC for the same suspension.

For suspensions of greater than five days and no more than thirty days, or discharges, notice of said disciplinary action shall be provided in writing to the non-probationary employee. Upon providing said notice, the Chief shall have the authority to implement the disciplinary decision. The employee shall have ten (10) business days to elect, irrevocably and in writing whether to accept the discipline, proceed with the BFPC by having charges brought against him or her or to grieve the discipline through the grievance/arbitration procedure. Upon an employee's election to appeal a suspension of more than five days or termination through the grievance procedure, the BFPC is divested of jurisdiction to pursue this disciplinary matter. The employee and the Union shall be deemed to have waived any right to proceed before the BFPC, although they shall have the right to process their grievance through the grievance arbitration procedure.

The parties agree that the grievance procedure and the hearing process by the BFPC are mutually exclusive and no relief shall be available under the grievance procedure for any action first heard before or appealed to the BFPC.

The procedures of this Article shall supersede the notice and hearing procedures set forth in the Willow Springs Police Department Rules and Regulations (Disciplinary Procedures).

6.2 REPRESENTATION

Grievances may be processed by the Employee or the Union on behalf of an Employee or group of Employees. The Union may have the grievant or grievants

present at any step of the grievance procedure, and the grievant shall be entitled to Union representation at any step of the grievance procedure.

6.3 PROCEDURE

STEP 1: Any Employee or Union representative who has a grievance, shall submit the grievance in writing (on the approved form attached hereto as appendix B) to the Chief of Police or his designee. The grievance shall contain a statement of facts and circumstances, the provision(s) of the Agreement alleged to have been violated, and the relief sought. All grievances shall be filed within ten (10) business days from the date of the occurrence or ten (10) business days from the date which the grievant could reasonably have learned of the circumstances which give rise to the grievance. The Chief or his designee shall investigate the grievance with the grievant and/or the Union at a mutually agreed date and time. Thereafter, the Chief shall render a written response to the grievant within ten (10) business days after the receipt of the grievance. Grievances not timely filed shall be deemed waived with prejudice.

STEP 2: If no response is received or the grievance is not settled at step #1, and the grievant wished to appeal the decision at step 2, the grievance shall be submitted in writing to the Mayor within five (5) business days after receipt of response at step 1, or when a response should have been received at step 1. The grievance shall set forth the facts and circumstances and shall state the reason for believing the grievance was improperly denied at step 1. The Mayor shall then investigate the grievance and will hold a meeting with the parties involved in the grievance at a reasonably convenient time. The Mayor shall then respond to the grievance, in writing, within ten (10) business days after conducting such meeting. If the Mayor is unavailable to act at Step 2, the Village Administrator shall act in his stead.

STEP 3: If the grievance is not settled at step 2, and the Union wishes to appeal the grievance, it may refer the matter to arbitration within ten (10) business days of receipt of the Mayor's response at step 2, or when a response should have been received at step 2. The arbitration shall proceed in the following manner:

1. A representative of the Employer and the Union shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) arbitrators. Each party shall have the right to reject one list in its entirety. The arbitrator shall be selected from the list of seven (7) by alternate strikes by the Employer and the Union. The winner of a "coin toss" shall determine the first to strike. The person whose name remains on the list shall be the arbitrator. The arbitrator shall be notified of his selection by a joint letter from the Employer and the Union. The letter shall request the arbitrator to set a time and place for hearing the grievance, subject to availability on the part of the Employer and the Union. Hearings shall be conducted in the Village of Willow Springs, unless otherwise mutually agreed.

2. Both parties agree to make a good faith attempt to arrive at a joint statement of facts and issues to be submitted to the arbitrator. The Employer and the Union shall have the right to request the arbitrator to require the presence of witnesses and documents with each party bearing their own expense. The expenses and fees of arbitration and the cost of the hearing rooms shall be shared equally between the Employer and the Union. Cost of arbitration shall include the arbitrator's fees, room costs, and transcription costs for the arbitrator's transcript, if so requested by the arbitrator. Each party shall bear the cost of its own transcript if they require one.
3. The decision and award of the arbitrator shall be made within thirty (30) days following: the end of hearings or the submission of briefs, whichever is later and shall be final and binding on the parties involved. The arbitrator shall have the right to hear more than one (1) grievance.

ARTICLE VII - SENIORITY

7.1 SENIORITY DEFINED

Seniority is defined as an Employee's continuous length full-time services as a police officer with the Employer. Seniority shall be used when determining layoffs, vacation preferences in accordance with this Agreement, and all other past practices in which seniority is a factor. Leaves exceeding ninety (90) days shall be deducted from the total accumulated days of full-time service in determining seniority except Military leaves or leaves resulting from duty related injuries. If hired on the same date, ranking on the eligibility list shall establish seniority, with the Employee higher ranking being the most senior.

ARTICLE VIII - EMPLOYMENT RIGHTS

8.1 PERSONAL ASSETS

No Employee shall be required or requested to disclose to the Employer any item of his property, income, assets, source of income or assets, debts or personal or domestic expenditures (including those of any member of his family or household) unless such information is necessary in an internal investigation with regards to the Employee's assets.

The Uniform Peace Officers Disciplinary Act, 50 ILCS 725 et seq., as well as *Weingarten* and its progeny shall apply to any inquiry which may lead to the disciplinary action, and shall be incorporated herein by reference.

8.5 REPLACEMENT OF PROPERTY

The Employer agrees to repair or replace corrective lenses, prescription sunglasses or wrist watch when same is damaged or destroyed as the result of the Employee's performance of duty which required the use or exertion of physical force. Such claims shall be documented by the Employee to the reasonable satisfaction of the Employee's supervisor and shall be limited to Five Hundred Dollars (\$500.00) per occurrence and maximum of fifteen hundred dollars (\$1,500.00) per twelve (12) month period beginning on the date of the first reported occurrence.

9.1 EQUAL EMPLOYMENT OPPORTUNITY

The Employer will continue to provide equal employment opportunity for all Employees covered by the terms of this Agreement, and shall develop or maintain and apply equal employment practices.

9.2 NON-DISCRIMINATION

The Employer shall not discriminate against Employees, and employment related decisions will be based on qualifications and predicted performance in a given position without regard to race, color, sex, religion, disability or national origin of the Employee. Nor shall the Employer discriminate against Employees as a result of membership to the Union.

9.3 USE OF MASCULINE PRONOUN

The use of the masculine pronoun in this or any other document is understood to be clerical convenience only, and it is further understood that the masculine pronoun includes the feminine pronoun as well

ARTICLE X - IMPASSE RESOLUTION

ARTICLE XI - LABOR/MANAGEMENT CONFERENCE

11.1 LABOR/MANAGEMENT MEETINGS

The Union and the Employer mutually agree that in the interest of efficient management and harmonious Employee relations, it is desirable that meetings be held between the Union and responsible representatives of the Employer. Such meetings may be requested at least seven (7) days in advance, or less if necessary, by either party by placing in writing a request to the other for a "labor-management conference" and expressly providing the agenda for such meeting. Such meetings which shall not exceed four (4) annually unless mutually agreed to by the parties shall be limited to:

- a. Discuss the implementation and general administration of this Agreement
- b. Notify the Union of changes in non-bargaining conditions of employment contemplated by the Employer which may affect Employees.

It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure. Grievances being processed under the grievance procedure shall not be considered at "labor-management conferences," nor shall negotiations for the purpose of altering any or all of the terms of this Agreement be carried on at such meetings.

11.2 ATTENDANCE AT LABOR/MANAGEMENT MEETINGS

Attendance at labor-management conferences shall be voluntary on the Employee's part. Attendance at such conference shall not interfere with required duty time, and attendance, if during duty time, is permitted only upon reasonable notice and prior approval of the Chief of Police. The Chief of Police may approve attendance subject to the manpower needs of the department. Employees attending a labor-management conference while on duty shall suffer no loss in pay during approved attendance. Employees attending such conferences shall be limited to two (2).

It is the policy of the Employer that the public has the reasonable right to expect persons employed by the Employer to be free from the effects of drugs and alcohol. The Employer, as the Employer, has the right to expect the Employees to report for work fit and able for duty. The purposes of this policy shall be achieved in such manner as not to violate any established rights of the Employees.

12.3 DRUG & ALCOHOL TESTING PERMITTED

Where the Employer has reasonable suspicion to believe that an Employee is then under the influence of alcohol, cannabis or illegal drugs during the course of the work day, the Employer shall have the right to require the Employee to submit to alcohol or drug testing as set forth in this Agreement. A Supervisor must certify his or her reasonable suspicion concerning the affected Employee prior to any order to submit to the testing authorized here. The Employer may conduct lawful drug tests as it may deem appropriate for persons seeking employment as Employees prior to their date of hire. The Employer may conduct random drug testing up to twelve (12) times per year using a system agreed upon by the Employer and the Union and each employee member may not be tested randomly more than two (2) times. Should the Employer seek to impose random testing, the Employer will provide the Union with at least thirty (30) days notice and offer to sit down with the Union to discuss the neutral process by which employee shall be randomly selected for testing. Such testing must be completed as soon as practicable after the officer-involved shooting, but no later than the end of the involved officer's shift or tour of duty.

12.4 ORDER TO SUBMIT TO TESTING

At the time an Employee is ordered to submit to testing authorized by this Agreement, the Employer shall provide the Employee with a written notice of the order, setting forth all of the objective facts which have formed the basis of the order to test. The Employee shall be permitted to consult with a representative of the Labor Union at the time the order is given. Testing shall not be unreasonably

delayed by reason of the Employee's inability to consult legal counsel or labor representatives. No questioning of the Employee shall be conducted without first affording the Employee the right to Labor Union representation and/or legal counsel. Refusal to submit to such testing may subject the Employee to discipline, but the Employee's taking of the test shall not be construed as a waiver of any objection or rights that he may have.

12.5 VOLUNTARY REQUESTS FOR ASSISTANCE

The Employer shall take no adverse employment action for drug or alcohol use against an Employee who voluntarily seeks treatment, counseling or other support for alcohol or drug related problems, prior to any request by the Employer to submit to testing in accordance with this Article, other than the Employer may require reassignment of the Employee with pay if he is then unfit for duty in his current assignment. The Employer shall make available a means by which the Employee may obtain referrals and treatment. All such requests shall be confidential and any information received by the Employer through whatever means, shall not be used in any manner adverse to the Employee's interest, except reassignment as described above.

An Employee who voluntarily seeks assistance with drug and/or alcohol related problems, shall not be subject to any disciplinary or other adverse employment action for drug or alcohol use by the Employer. The foregoing is conditioned upon:

- c. the Employee discontinues his use of cannabis, illegal drugs or abuse of alcohol;
- d. the Employee completes the course of treatment prescribed, including an "after-care" group for a period of up to twelve months.
- e. the Employee agrees to submit to random testing during hours of work during, the period of "after-care;" and
- f. the Employee's use of drug or alcohol did not contribute directly to the loss of life or injury to any person.

The foregoing shall not be construed as an obligation on the part of the Employer to retain an Employee on active status throughout the period of rehabilitation if it is appropriately determined that the Employee's current use of alcohol or drugs prevents such individual from performing the duties of a police officer or whose continuance on active status would constitute a direct threat to the property or safety of others. Such Employees shall be afforded the opportunity to use accumulated paid leave or take an unpaid leave of absence, at the Employee's

option, pending treatment. The foregoing shall not limit the Employer's right to discipline Employees for misconduct provided such discipline shall not be increased or imposed due to alcohol or drug abuse.

12.6 DISCIPLINE

Employees who do not agree to or who do not act in accordance with the provisions of Article XII §5, or Employees who test positive for the presence of cannabis, illegal drugs or alcohol during the hours of work and who have not voluntarily requested assistance, or Employees who test positive for the presence of cannabis, illegal drugs or alcohol during the hours of work after having complied with the provisions of Article XII §5 shall be subject to discipline up to and including discharge.

The foregoing shall not be constructed as a prohibition of lawful solicitation efforts by bargaining unit members directed to the general public. Each party hereto agrees that they will comply with all applicable laws regarding solicitation.

This Agreement does not apply to the solicitation efforts of the Metropolitan Alliance of Police or any of its agents who are not bargaining unit employees.

17.5 POLICE OFFICER REIMBURSEMENT OBLIGATION

ARTICLE XIX - HOURS OF WORK AND OVERTIME

19.1 PURPOSE OF ARTICLE

This Article is intended as a basis of calculating hours of work per day, per week, establishing a work cycle, overtime and overtime payments.

19.2 WORK SCHEDULES & ASSIGNMENTS

The Employer shall post work schedules, show the shifts, work days and work hours to which Bargaining Unit Members are assigned at least thirty (30) days in advance. Employees will be afforded at least seventy-two (72) hours advance notice of any changes in the work schedule, except for emergencies. The Employers current work schedule, practices, day off and replacement patterns for Employees will remain in effect, which is defined as permanent shifts by seniority with forward rotational days off. The Village and the Union may agree to changes in this Section by mutual agreement.

When making work and vehicle assignments, seniority shall be a factor to be considered, although the Chief of Police shall have the final authority.

19.3 HOURS OF WORK

(a) The normal work day will be 12 hours, generally from 6:00 a.m. to 6:00 p.m. or 6:00 p.m. to 6:00 a.m., provided that during each 28 day work cycle, the Village may schedule 8 hours of unpaid duty reduction time for each employee (preferably 4 hours every 14 days, which shall be at the start or end of

a shift), so that an employee will normally be scheduled to work 160 hours during a 28 day work cycle. In the event the employee is not scheduled for unpaid duty reduction time, he shall be compensated for that additional time worked.

(b) The work cycle shall be considered 28 days, with overtime being paid only for hours worked in excess of 160 hours in a 28 day cycle; employees who work a 12 hour shift will not otherwise be eligible for overtime or premium pay. (Paid vacations, personal days, sick leave, jury leave, compensatory time and bereavement leave will continue to count as hours worked for purposes of overtime calculation.) Subject to the forgoing, to the extent practicable, covered employees will normally be assigned to work 3 off; 2 on; 2 off; 3 on; 2 off; 2 on – starting on Friday for 2 of four platoons and so forth during the 28 day work cycle.

(c) If an employee works sixteen (16) or more hours during a 24 hour period, the Chief or his designee reserves the right not to schedule the employee for another shift, until the employee has had at least eight (8) consecutive hours off-duty. Any hireback may be limited by the Village, in order to avoid more than sixteen (16) hours of consecutive work.

(d) Notwithstanding the above, the Village shall have the right to implement an eight (8)-hour shift schedule, which shall consist of eight (8) consecutive hours of work for four (4) consecutive days, followed by two (2) consecutive days off, with backward rotational days off ("4/2 Schedule"), whenever the Chief of Police determines that the lack of available manpower requires the implementation of such 4/2 Schedule, provided that such 4/2 Schedule shall not be utilized for more than six (6) consecutive months. This right shall only be utilized one time during the term of this Agreement. At least five (5) calendar days advance written notice shall be provided to the bargaining unit members and to the Union, prior to the implementation of the 4/2 Schedule.

19.4 COMPENSATORY TIME

The Employer agrees to grant compensatory time off in lieu of overtime payment at the Employee's discretion and at the same overtime rate. Employees shall be allowed to accumulate up to a maximum of Two Hundred (200) hours. Compensatory time off shall be granted at the Employee's request at such time and in such blocks as are mutually agreed between the Employee and his immediate supervisor. Permission to use compensatory time shall not be unreasonably denied, provided that the Employee gives the Chief at least forty eight (48) hours advance notice when possible. Unless out of town or off work and thus not in a position to respond, the Chief will approve or deny a comp time request within three business days of when it is made. When compensatory time off is granted, the Employee shall not be required to remain on standby status.

19.5 PYRAMIDING

Compensation shall not be paid (nor compensatory time taken) more than once for the same hours under any provisions of this Article or Agreement. Example: An Officer takes a vacation day on the 6:00 a.m. - 6:00 p.m. shift as he/she

knows that an overtime opportunity is available for that shift in question, and he/she elects to take that overtime opportunity.

19.6 CALL BACK

The term "call back" is defined as an official assignment of work which does not immediately precede or follow any Employee's regularly scheduled working hours. Employees reporting back to work under the definitions of "call back" shall be compensated for a minimum of two (2) hours or for the actual hours worked, whichever is greater. No call back shall be compensated unless such call back has been approved by a supervisor. Employees will not be entitled to call back when he/she is required to return to work to correct his/her own errors.

19.7 COURT TIME

Employees required to attend court on their off duty time shall be compensated for a minimum of three (3) hours at one and one half (1½) times the regular rate of pay or for the actual hours worked, whichever is greater.

19.8 OVERTIME COMPENSATION

All hours worked in excess of the normal one hundred and sixty (160) hours per twenty eight (28) day work cycle shall be compensated at the overtime rate of one and one half (1½) times the Employee's regular hourly rate of pay or the compensatory time equivalent (at the Employee's option). For purposes of calculating overtime, all compensated hours shall be considered hours worked. The Village will pay overtime on track to be earned, as an advance, on the payday that covers the week in which it appears to have been earned. In the event the overtime paid is not earned by the end of the work cycle, an adjustment will be made on the next payday immediately following the work cycle in which it ended up not being earned.

19.9 STANDBY PAY

Effective upon ratification, employees required to stand-by for court appearances on their off-duty time shall be compensated at the rate of one (1) hour's pay for each three (3) hours or fraction thereof of stand-by. In the event an employee is required to attend court, compensation shall be in accordance with this Article XIX §7. In no instance will an employee be compensated for stand-by and attendance at court for the same appearance during the same day. 2. Personal illness of a member's immediate family members residing in the same household.

In order to become eligible for sick leave, an Employee must promptly notify his/her office or immediate supervisor at least one (1) hour prior to the start of the Employee's shift whenever practicable. When notifying the Village of an absence under this Section, the employee shall provide the Village with information concerning the reason why the employee is unable to work. Failure to properly notify the Village of an absence shall cause such absence to be considered as an absence without pay, and may subject the employee to additional discipline, as well.

If the absence is more than three (3) days, a certification by a licensed Illinois physician must be filed with the Chief of Police. This certification must state the kind and nature of sickness or injury and that the Employee has been incapacitated for work during said period of absence. When the absence exceeds ten (10) days, a new certificate must be filed with the Chief of Police or his designee.

If an employee uses three (3) consecutive sick days, prior to the employee returning to work, the Village shall require a written certificate from a physician or other medical practitioner indicating the nature of the illness and containing a statement that the employee has been examined and is physically able to return to work.

The Village, at its option, may require an employee to submit to an examination by a physician or other medical professional chosen by the Village; if the Village

requires an employee to submit to an examination by a physician designated by the Village, the Village will pay the medical expenses to the extent they are not covered by insurance and give the employee a copy of any written report provided to the Village.

Absence for part of a day is chargeable to sick time in accordance with those provisions shall be charged proportionally in an amount not smaller than one half (1/2) day. Computation of sick leave shall not include regular days off or holidays.

Sick time must not be abused. It is intended to cover genuine illness and is not to be used as a means of obtaining additional time off. Unless a good and sufficient reason for being absent from home is provided to the Chief of Police upon his request for just cause, the sick leave benefit for that particular day will be canceled.

Falsification of any verification of illness shall be just cause for discipline, up to and including discharge. Any employee who fraudulently obtains sick leave will reimburse the Village for the sick leave.

Records of all credits and debits to sick time account of each Employee will be kept by the Employer. The amount of sick leave credit available for any Employee shall be available for inspection by the Employee upon request.

Employees covered by the terms of this Agreement who enroll in an accredited course of continued education at a College or University shall have their tuition reimbursed in the following manner, when such action is taken outside their regular scheduled work period and when such fees are not compensated by another agency. The accredited course shall be a substantive course geared towards improving the employee's skills that will also result in a benefit to the Employer.

Effective May 1, 2003 and each fiscal year thereafter, the Village will reimburse employees as outline above, not to exceed \$2,500.00 per fiscal year for all employees covered by this Agreement. Individual "caps" are proportionate to the number of participants in the program. The Village may elect to only reimburse up to \$1,250.00 for the first half of the fiscal year for all employees covered by this Agreement, in order to keep funds available for any employee attending classes in the second half of the fiscal year. In the second half of the fiscal year the remaining \$1,250.00 will be reimbursed proportionately to any employee attending classes, in the same manner as outlined above.

Grade A	100% Reimbursement
Grade B	50% Reimbursement
Grade C, D or F	No Reimbursement

Any employee who leaves his or her employment within six (6) months after receiving a tuition reimbursement payment shall repay the Employer the full amount of said reimbursement payment, which may be withheld from said employee's last paycheck.
